Changes Between 2023 and 2025 Capital Outlay Boilerplates

1. Project Budget Requirements

• 2025: Introduces a mandatory Project Budget (procurement + expenditure plan with milestones), which must be approved before reimbursement starts.

2023: Does not mention a formal "Project Budget" requirement; instead, it relies more heavily on the issuance of Notices of Obligation as a gating mechanism.

2. Risk Assessment & Special Conditions

- 2025: Requires a pre-agreement risk assessment and allows the Department to unilaterally update Exhibit D with special conditions without a formal amendment.
- **2023:** No formal risk assessment or unilateral update clause. Any amendments require mutual written agreement.

3. Obligation and Expenditure Timelines

- 2023: Grantee must obligate 5% of funds in 6 months and expend 85% six months before the reversion date.
- 2025: Increases initial obligation to 10% within one year; 85% expenditure requirement remains six months before reversion.

4. Reporting Requirements

2023:

- Quarterly project activity reporting through DFA's CPMS database.
- 30 days' advance notice required for reporting changes.

2025:

- Quarterly project activity reporting directly into a DFA-required database.
- Only 14 days' advance notice of reporting changes.

7. Project Conditions & Restrictions

2023:

- Must comply with Procurement Code, Public Works Minimum Wage Act, and Anti-Donation Clause.
- o Cannot convert property use for 10 years without approval.

2025:

- o Adds requirement to follow **State's Model Accounting Practices.**
- Clarifies that property use restrictions last for useful life of the asset (not 10 years).
- Adds civil rights and equal employment nondiscrimination requirements (includes sexual preference and handicap protections).

8. State Board of Finance (SBOF) Provisions

2023:

SBOF conditions acknowledged but less detailed.

2025:

- Explicitly states SBOF can reassign bond proceeds if readiness milestones
 (5% encumbrance within 6 months of bond issuance) are not met.
- Agreement may be suspended until readiness demonstrated.

9. Administrative & Legal Provisions

2023:

- Simpler amendment and assignment language.
- Non-appropriations and termination clauses required in subcontracts.

2025:

Adds digital signatures, venue, and severability clauses.

 - Proof of payment must demonstrate the validity of an expenditure or liabilities incurred by Grantee.
 - However, Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
 - iii. The Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or in a shorter period than the Department may prescribe in writing.
 - iv. The Department reserves the right to make such payments directly to the contractors or vendors as a special condition under this Agreement.
 - v. The Grantee is required to certify to the Department proof of payment to the thirdparty contractor or vendor within five (5) business days from the date the Department reimburses the Grantee.
- B. Until the Project is fully planned, designed, and all necessary procurements identified in the Project Budget are completed, Grantee's reimbursements will be limited to the planning, design, and procurement costs outlined in the Project Budget. Once the planning, designing, and procuring stages are complete, the Grantee must obligate at least ten percent (10%) of the Adjusted Appropriation Amount within one (1) year and must have utilized at least eighty-five percent (85%) of the Adjusted Appropriation Amount six (6) months before the reversion date.
- C. Deadlines. Grantee shall submit requests for Payments to the Department on the earlier of:

 - i. In addition to other remedies available at law or in equity, any disposal or conversion of property acquired, built, renovated, repaired, designed, or developed with Project funds without the Department's and the Board of Finance's express written approval will trigger the Department's right to reimbursement from Grantee of the Appropriated Amount, transfer proceeds from any disposition of property to the State, or otherwise provide consideration to the State for the Appropriated Amounts.

 - a. Each Request for Payment must be in accordance with the Project Budget and contain proof of payment by the Grantee or liabilities incurred by the Grantee.
 - i. Proof of payment must demonstrate the validity of an expenditure or liabilities incurred by Grantee.
 - ii. However, Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
 - iii. The Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or in a shorter period than the Department may prescribe in writing.
 - iv. The Department reserves the right to make such payments directly to the contractors or vendors as a special condition under this Agreement.
 - v. The Grantee is required to certify to the Department proof of payment to the thirdparty contractor or vendor within five (5) business days from the date the Department reimburses the Grantee.
- B. Until the Project is fully planned, designed, and all necessary procurements identified in the Project Budget are completed, Grantee's reimbursements will be limited to the planning, design, and procurement costs outlined in the Project Budget. Once the planning, designing, and procuring stages are complete, the Grantee must obligate at least ten percent (10%) of the Adjusted Appropriation Amount within one (1) year and must have utilized at least eighty-five percent (85%) of the Adjusted Appropriation Amount six (6) months before the reversion date.
- C. Deadlines. Grantee shall submit requests for Payments to the Department on the earlier of:
 - a. Immediately as Grantee receives them, but at a maximum of thirty (30) days from when Grantee incurred the expenditure or liability; or
 - b. Twenty (20) days from the date of Early Termination or Reversion Date for expenditures or liabilities incurred before the Early Termination date or Reversion Date.

- D. Grantee's failure to abide by the requirements set forth in Article II and Article IX herein may result in the denial of its Request for Payment.  - a. The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code.

 - i. In addition to other remedies available at law or in equity, any disposal or conversion of property acquired, built, renovated, repaired, designed, or developed with Project funds without the Department's and the Board of Finance's express written approval will trigger the Department's right to reimbursement from Grantee of the Appropriated Amount, transfer proceeds from any disposition of property to the State, or otherwise provide consideration to the State for the Appropriated Amounts.
 - f. Grantee shall comply with all applicable federal and state laws, rules, and regulations pertaining to civil rights and equal employment opportunity.
