Year/Rank 2025 001 Priority: High		ID: 36240
Project Title: City Hall Multi-Purpose Complex	Class: Renovate/Repair	Type/Subtype: Facilities - Administrative Facilities
Contact Name: Martin Moore	Contact Phone: 5058616803	Contact E-mail: mmoore@riocommunities.net
Total project cost: 4,000,000	Proposed project start date: 7/01/202	3
Project Location: 360 Rio Communities Blvd Rio Communities NM 87002	Latitude: 34.645318	Longitude: -106.732167
Legislative Language: to plan, design, renovate, furnish and equip existing city hall multi-	i-purpose complex for the City of Rio Communit	ies NM, Valencia county
Scope of Work: Phase 1 Design, construct and furnish administrative offices. Phase	hase 2 Design, Construct, demolish, furnish and ir	stall building upgrades including a security system throughout the interior and
exterior of the complex, city council chambers and general publi	lic meeting areas. Phase 3 Complete public activity	ty areas in the design, construction and furnishing of building. The City will
seek plan/design/construction, equipping and furnishing per proc	ocurement code and award successful contractor v	vith notice to proceed.

Secured and Potential Funding Budget:

State Grant Funding should only be requested when all other funding sources have been exhausted if entity is providing matching funds, i.e. Federal, Local Taxes, Fees, NM Finance Authority Loans (NMFA), Tribal Infrastructure Fund (TIF), Water Trust Board (WTB), Public School Facility Authority (PSFA), Colonia's Infrastructure Board (CIB), etc.

Please complete table below with all secured and potential funding sources.

PHASING BUDGET

Phasing:

Can this project be phased? Yes

Stand Alone: No Multi-Phased: Yes

A project single phase approach is used for projects that can be completed with one process because it is manageable, affordable, and will not require any foreseeable additional resources or activities to be fully operational when complete.

A project multi-phased approach is used for breaking down very large projects into manageable standalone parts that are independently functional and easier to fund.

Phase	Amount	Plan	Design	Construct	Furnish/Equip/Vehicles	Other (Wtr Rights, Easements, Acq)	# Mos to Complete
1	2,500,000	No	No	Yes	Yes	No	12
2	600,000	Yes	No	Yes	Yes	No	12
3	510,000	No	Yes	Yes	Yes	No	12
4	340,000	No	No	No	Yes	No	12
5	0	No	No	No	Yes	No	3
TOTAL	3.950.000						

Has your local government/agency budgeted for operating expenses for the project when it is completed? No												
If no, please explain why: Operating Cost unknown at t	his time.											
ANNUAL OPERATING BUDGET	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	TOTAL						
Annual Operating Expenses plus Debt Service	0	0	0	0	0	0						
Annual Operating Revenues	0	0	0	0	0	0						

Does the project lower operating costs?

No

If yes, please explain and provide estimates of operating savings Entities who will assume the following responsibilities for this project:

	Fiscal Agent:	Own:	Operate:	Own Land:	Own Asset:	Maintain:
	City of Rio Communities	Citv of Rio Communities				
Lease/operating agreement in place?	No	No	5	No	No	No

More detailed information on project.
(a) How many years is the requested project expected to be in use before needing Renovate/Repair or Replacement? 10-15 years
(b) Has the project had public input and buy-in? Yes
(c) Is the project necessary to address population or client growth and if so, will it provide services to that population or clientele? Yes
(d) Regionalism - Does the project directly benefit an entity other than itself? Yes
If yes, please list the other entity. The residents of the City of Rio Communities, plus businesses and other entities around the County will benefit from the use of the complex.
(e) Are there oversight mechanisms built in that would ensure timely construction and completion of the project on budget? No
Please explain. City Manager is directly responsible for project management.
(f) Other than the temporary construction jobs associated with the project, does the project maintain or advance the region's economy? No
If yes, please explain.
(g) Does the project benefit all citizens within a recognized region, district or political subdivision? Yes
If yes, please explain and provide the number of people that will benefit from the project. 4700 residents, plus other people around the County
(h) Does the project eliminate a risk or hazard to public health and/or safety that immediately endangers occupants of the premises such that corrective action is urgent and N

unavoidable? Emergencies must be documented by a Subject Matter Expert.

If yes, please explain. (If mandatory, provide Summary Page of the Federal, State or Judiciary Agency who issed the mandate.)

No

If yes, please explain and provide estimates of operating savings Entities who will assume the following responsibilities for this project:

	Fiscal Agent:	Own:	Operate:	Own Land:	Own Asset:	Maintain:
	The City of Rio					
	Communities	Communities	Communities	Communities	Communities	Communities
Lease/operating agreement in place?	No	No		No	No	No

More detailed information on project.
(a) How many years is the requested project expected to be in use before needing Renovate/Repair or Replacement? 10-15 years
(b) Has the project had public input and buy-in? No
(c) Is the project necessary to address population or client growth and if so, will it provide services to that population or clientele? No
(d) Regionalism - Does the project directly benefit an entity other than itself? No
If yes, please list the other entity.
(e) Are there oversight mechanisms built in that would ensure timely construction and completion of the project on budget? Yes
Please explain. State procurement code will be followed by our Chief Procurement Officer
(f) Other than the temporary construction jobs associated with the project, does the project maintain or advance the region's economy? Yes
If yes, please explain. Improved infrastructure is expected to attract additional investment
(g) Does the project benefit all citizens within a recognized region, district or political subdivision? Yes
If yes, please explain and provide the number of people that will benefit from the project. It is expected to benefit our estimated 4700 residents as they drive residential streets at

night

(h) Does the project eliminate a risk or hazard to public health and/or safety that immediately endangers occupants of the premises such that corrective action is urgent and Yes unavoidable? Emergencies must be documented by a Subject Matter Expert.

If yes, please explain. (If mandatory, provide Summary Page of the Federal, State or Judiciary Agency who issed the mandate.)

The City's residential streets are largely dark, which enhances criminal behavior. Property crime is our #7 criminal activity.

PHASING BUDGET

Phasing:

Can this project be phased? Yes

Stand Alone: No Multi-Phased: Yes

A project single phase approach is used for projects that can be completed with one process because it is manageable, affordable, and will not require any foreseeable additional resources or activities to be fully operational when complete.

A project multi-phased approach is used for breaking down very large projects into manageable standalone parts that are independently functional and easier to fund.

Phase	Amount	Plan	Design	Construct	Furnish/Equip/Vehicles	Other (Wtr Rights, Easements, Acq)	# Mos to Complete

PHASING BUDGET

Can this project be phased? Yes

Phasing: Stand Alone: No Multi-Phased: Yes

A project single phase approach is used for projects that can be completed with one process because it is manageable, affordable, and will not require any foreseeable additional resources or activities to be fully operational when complete.

A project multi-phased approach is used for breaking down very large projects into manageable standalone parts that are independently functional and easier to fund.

Phase	Amount	Plan	Design	Construct	Furnish/Equip/Vehicles	Other (Wtr Rights, Easements, Acq)	# Mos to Complete
1	300,000	Yes	Yes	No	Yes	No	6
2	500,000	No	No	Yes	Yes	No	12
3	250,000	No	No	No	Yes	No	6
4	250,000	No	No	No	Yes	No	0
5	0	No	No	No	No	No	0
TOTAL	1.300.000						

Has your local government/agency budgeted for operating expenses for the project when it is completed? No									
If no, please explain why:									
ANNUAL OPERATING BUDGET	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	TOTAL			
Annual Operating Expenses plus Debt Service	0	0	0	0	0	0			
Annual Operating Revenues	0	0	0	0	0	0			

Does the project lower operating costs?

No

If yes, please explain and provide estimates of operating savings Entities who will assume the following responsibilities for this project:

	Fiscal Agent:	Own:	Operate:	Own Land:	Own Asset:	Maintain:
	The City of Rio					
	Communities	Communities	Communities	Communities	Communities	Communities
Lease/operating agreement in place?	No	No		No	No	No

More detailed information on project.	
(a) How many years is the requested project expected to be in use before needing Renovate/Repair or Replacement?	16 years or more
(b) Has the project had public input and buy-in? No	
(c) Is the project necessary to address population or client growth and if so, will it provide services to that population or client	entele? No
(d) Regionalism - Does the project directly benefit an entity other than itself? No	
If yes, please list the other entity.	
(e) Are there oversight mechanisms built in that would ensure timely construction and completion of the project on budget	? Yes
Please explain. State Procurement code will be followed by our Chief Procurement Officer	
(f) Other than the temporary construction jobs associated with the project, does the project maintain or advance the region	n's economy? No
If yes, please explain.	
(g) Does the project benefit all citizens within a recognized region, district or political subdivision? No)
If yes, please explain and provide the number of people that will benefit from the project.	

(h) Does the project eliminate a risk or hazard to public health and/or safety that immediately endangers occupants of the premises such that corrective action is urgent and No unavoidable? Emergencies must be documented by a Subject Matter Expert.

If yes, please explain. (If mandatory, provide Summary Page of the Federal, State or Judiciary Agency who issed the mandate.)

PHASING BUDGET

Phasing:

Water Rights

Can this project be phased? Yes

> Stand Alone: No Multi-Phased: Yes

A project single phase approach is used for projects that can be completed with one process because it is manageable, affordable, and will not require any foreseeable additional resources or activities to be fully operational when complete.

A project multi-phased approach is used for breaking down very large projects into manageable standalone parts that are independently functional and easier to fund.

If the multi-phase approach is being used it is required to provide accurate dates, costs, and funding sources for prior phases, and be able to provide reasonable projections of dates, costs, and funding sources for future phases. In addition, each multi-phase has three main levels: Planning, Design, and Construction. Each level can be funded individually, however strong emphasis is put on completing all three levels.

Phase	Amount	Plan	Design	Construct	Furnish/Equip/Vehicles	Other (Wtr Rights, Easements, Acq)	# Mos to Complete
1	1,000,000	Yes	No	No	No	No	0
2	2,000,000	No	Yes	No	No	No	0
3	0	No	No	No	No	No	0
4	0	No	No	No	No	No	0
5	0	No	No	No	No	No	0
TOTAL	3.000.000						

A

Has your local government/agency budgeted for operating expenses for the project when it is completed? No								
If no, please explain why:								
ANNUAL OPERATING BUDGET	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	TOTAL		
Annual Operating Expenses plus Debt Service	0	0	0	0	0	0		
Annual Operating Revenues	0	0	0	0	0	0		

Does the project lower operating costs?

No

	Fiscal Agent:	Own:	Operate:	Own Land:	Own Asset:	Maintain:
Lease/operating agreement in place?	No	No		No	No	No

More detailed information on project. (a) How many years is the requested project expected to be in use before needing Renovate/Repair or Replacement? (b) Has the project had public input and buy-in? No	16 years or more
(c) Is the project necessary to address population or client growth and if so, will it provide services to that population or client	tele? No
(d) Regionalism - Does the project directly benefit an entity other than itself? Yes	
If yes, please list the other entity. This will benefit the entire community of Valencia County including the municipalities	3
(e) Are there oversight mechanisms built in that would ensure timely construction and completion of the project on budget?	No
Please explain. The County Manager's Office, Public Works Department, Community Development Department and partne	ering agencies will ensure project is complete on time and within
budget.	
(f) Other than the temporary construction jobs associated with the project, does the project maintain or advance the region's of	economy? No
If yes, please explain.	
(g) Does the project benefit all citizens within a recognized region, district or political subdivision? No	
If yes, please explain and provide the number of people that will benefit from the project. This will benefit the	e entire community of Valencia County including the municipalities
(h) Does the project eliminate a risk or hazard to public health and/or safety that immediately endangers occupants of the pre	mises such that corrective action is urgent and No

unavoidable? Emergencies must be documented by a Subject Matter Expert.

If yes, please explain. (If mandatory, provide Summary Page of the Federal, State or Judiciary Agency who issed the mandate.)

This will eliminate a risk and hazard to the public, as well as safety of preventing areas of Valencia County from flooding
